

Jamesburg Police Department

· April 18 ·

On Saturday April 27th, 2019 from 10am - 2pm the Jamesburg Police Department will be participating in the Drug Enforcement Administration NJ Division's, "Operation Take Back New Jersey"

Unused, unwanted, and expired medication can be brought to the Jamesburg Police Headquarters and disposed of with no questions asked. Individuals may dispose of medication either in its original container or by removing medication from its original and dropped directly in the box. Individuals are encouraged to remove the prescription label if it contains any personal information. Any liquid medication such as cough medicine should remained sealed in their original container. Syringes and other sharp instruments will NOT be accepted.
